

New Business Sales Agent

Description

Exterior-interior specialise in the sourcing and supply of design led contemporary furniture for outdoors and indoors. We are the sole UK agent for the Belgian brand Extremis.

Due to continued growth we are currently seeking professional people with knowledge of A & D contract markets and contacts with specifiers and end users. Experience in opening doors and securing a wide range of work which may include commercial and hotel and leisure projects you will have a proven track record. Previous experience within furniture and lighting would be beneficial although not a requirement. This is a flexible position and part time will be considered.

If you are passionate, self motivated and energetic and are interested in working with the best products in a dynamic company with an exciting future, then in the first instance please contact us on 020 8786 9393 or email andrew@exterior-interior.com with a brief introduction.
